

No To Media Consolidation: We Need Diverse Voices

I am writing to you today to comment on Docket No. 02-277, The Biennial Review of the FCC's broadcast media ownership rules. In its goals to promote competition, diversity and localism in today's media market, I strongly believe that the FCC should retain all of the current media ownership rules now in question. These rules serve the public interest by limiting the market power of already huge companies in the broadcast industry.

The public interest will best be served by preserving media ownership rules in question in this proceeding.

Also, please hold more hearings on this issue so you can hear from those of us concerned with our access to broader media coverage. We may not have the money, but we should have the right to a say.

Thank you,
